

TASTE! WASHINGTON!

the ultimate wine experience

STERLING WHEEL OF WINE PROCUREMENT

A great way to create recognition at Taste Washington!

We are providing an opportunity for you to participate in giving away great items at the Sterling Wheel of Wine.

The Sterling Wheel of Wine is a fun game on-site at the Taste Washington! event where attendees spin the wheel to win prizes. Prizes range from bottles of wine, gift certificates from restaurants and other quality items from sponsors, exhibitors and local companies. The proceeds from this area benefit FARE Start.

FARE Start is a charitable organization that is dedicated to helping homeless men and women find new opportunities by training and helping place them in jobs in the food service industry.

The Sterling Wheel of Wine interactive is in high traffic event area, providing great recognition for all who participate. Quality items of any quantity are accepted for the Wheel of Wine, **however donations of 40+ items will earn a personalized "wedge" on the wheel.**

Yes, we want to provide items for the Wheel of Wine
